

VOSM Academy invites our local DVMs to a

PALPATION WORKSHOP

Lecture with Dr. Sherman Canapp, Wet Lab with Dr. Chris Leasure and Dr. David Dycus

Friday, June 15, 2018 • 9 am - 1 pm
10975 Guilford Rd, Annapolis Junction, MD 20701

Sponsored by: 

This free workshop is designed to better diagnosis common forelimb and hind limb injuries and conditions through the use of palpation techniques.

Attendees will have the opportunity to:

- Gain a better understanding of canine anatomy as it relates to orthopedic assessments
- Learn to localize specific soft tissue structures and particular landmarks to perform the most accurate diagnostic tests
- Gain confidence in diagnosing challenging soft tissue injuries
- Network with local colleagues

This program was reviewed and approved by the AAVSB RACE program for 4 hours of continuing education in jurisdictions which recognize AAVSB RACE approval. Please contact the AAVSB RACE program if you have any comments/concerns regarding this program's validity or relevancy to the veterinary profession.
